

Iowa Nurses Association 2007 Legislative Agenda

1. Promote access to affordable and available healthcare coverage for all Iowans.
2. Promote a culture of patient safety (medical error reduction, ergonomics, whistleblower protection, electronic health records)
3. Support funding incentives to increase nursing faculty
4. Address the serious shortage of mental health professionals in the state.
5. Support requirements for adequate staffing of school nurses in Iowa to manage the health needs of Iowa children and facilitate their academic success.
6. Promote insurance coverage for prostate cancer screening exams.
